**LET'S GET IMMUNIZED NY STATEMENT ON FDA EMERGENCY USE  
AUTHORIZATION FOR THIRD COVID-19 VACCINE**

Following today's ruling by the Food and Drug Administration to approve Emergency Use Authorization (EUA) for Johnson & Johnson's COVID-19 vaccine candidate, Let's Get Immunized NY issued the following statement on behalf of the more than 40 organizations in the coalition:

“A third vaccine approved by the FDA to combat the COVID-19 virus is welcome news for all New Yorkers who are awaiting their time to be eligible for vaccination. Let's Get Immunized New York strongly urges all individuals who can be vaccinated with COVID and all FDA and ACIP approved vaccines to do so as soon as possible.”
